Because it's YOUR child

Director's Corner

Welcome to spring! We are all hoping this warmer weather is here to stay! With the warmer weather we would like to remind you that we do go outside every day and the best shoes for your child to wear are sneakers. While we understand sandals, crocs, and flip flops are cute and easy for your child to put on by themselves, they do not offer appropriate protection to your child while playing on the playgrounds. Please encourage your child to wear tennis shoes to school.

Thank you to all our families who participated in our annual Egg Hunt. We hope you enjoyed yourselves as much as our students did!

Premier Schools will be celebrating the Week of the Young Child (WOYC), April 16th-20th. We have many fun-filled activities planned for our students and their families. We have included information regarding this national celebration as well as a calendar of school wide events.

Parent's Night Out will be Friday, April 20th. The time is 6:00-10:30pm. The cost is \$20 for the 1st child and \$10 for each additional sibling. This money is paid directly to the teachers hosting that night. Please sign up at the front desk.

With summer quickly approaching, we would like to remind any families wishing to temporarily withdraw for the summer to submit a 30-day written notice of withdraw. If your child will not be returning this fall, you must let the front office know, in writing, of your child's last day of attendance. Please see the front office with any questions regarding enrollment. Also, Summer Camp registration is now open. We have a jam-packed summer full of fun in store! We still have a few spots available, so if you are interested in signing up please see the front office for paperwork.

We hope you take the opportunity, while the weather is pleasant, to enjoy some time playing outside with your children. Have a great month!

Week of the Young Child:

April 16th – 20th

“Investing in Young Children Benefits Us All”

Premier Preschools is proud to join with other childcare providers and agencies across the nation to celebrate the Week of the Young Child. We feel strongly that our children are our nation’s most valuable resource and it is up to us to make sure our children are receiving the best possible start for their future. Below are the answers to some frequently asked questions regarding the Week of the Young Child. Further information may be found on the NAEYC website at www.naeyc.org.

What is the Week of the Young Child?

The Week of the Young Child is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC), the world's largest early childhood education association, with nearly 100,000 members and a network of over 300 local, state, and regional Affiliates.

The purpose of the Week of the Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs.

NAEYC first established the Week of the Young Child in 1971, recognizing that the early childhood years (birth through age 8) laid the foundation for children's success in school and later life. The Week of the Young Child is a time to plan how we--as citizens of a community, of a state, and of a nation--will better meet the needs of all young children and their families.

Why focus on young children and early childhood programs?

Today we know more than ever before about the importance of children's earliest years in shaping their learning and development. Yet, never before have the needs of young children and their families been more pressing.

The Week of the Young Child is a time to recognize that children's opportunities are our responsibilities, and to recommit ourselves to ensuring that each and every child experiences the type of early environment--at home, at child care, at school, and in the community--that will promote their early learning.

Please contact us with further questions. We look forward to celebrating with you!

**Week of the Young
Child:
April 16th – 20th**

Music Monday: Dance your way to the classroom.

Tasty Tuesday: Bring a tasty treat from home to share with the class.

Work Together Wednesday: Wear your class color.

Artsy Thursday: Bring a picture from home that you made.

Family Friday: We invite parents to join us for snack today.

*** Remember to take a few moments as you drop off or pick up your child to participate in our WOYC themed Take 5 activities. There will be a different activity every day. Be sure to ask your child's teacher where their classroom activities will be setup.**
